

# The Salmon

*Taking the Truth to Thailand*

## BBFI Approval

This Spring has been a time of celebration! Not only are we commissioned by Cherry Street Baptist Church as their missionaries to Thailand, but we were also approved by the Baptist Bible Fellowship International as well during Fellowship Week. It was a wonderful time to rejoice with the other missionaries that were approved to reach the lost throughout the world. It was also a great encouragement to see faithful servants of the Lord being honored for thirty and even fifty years of service, with many going back to serve on the field! May we all be found serving Christ so faithfully!

## The Lord is Working

As we look forward to the next steps of our journey to take the Truth to Thailand, this summer will be a time of transition for us as we prepare to hit the deputation trail full-time. Please pray for our time at Cherry Street as we continue to schedule appointments to present missions and our call to Thailand. Over the past couple of weeks at Cherry Street we have seen God working in the Sunday school class we are helping with. We saw new people attend our class, and this past Sunday night, we saw a young lady from our class surrender to be a missionary to the country of Mexico! It is so exciting to see that the Lord will use us and work His people wherever we are if we will simply be willing and faithful!

## Prayer Requests

- For political stability in Thailand (currently experiencing unrest)
- That we will continue to fill our calendar with church appointments
- That souls will be saved and surrendered to missions throughout deputation

## Meanwhile, in Bangkok . . .

### Songkran Water Festival

14 new believers baptized on Easter Sunday

Soccer Camp in Northern Thailand with 7 accepting Christ
