

The Salmons

Taking the Truth to Thailand

A GREAT FINISH

We are excited to say that July and August were our final months of deputation! The Lord worked in our final camps and services, and before we knew it, we were back at our home church, Cherry Street Baptist, having our Send-off Service! God has been so faithful throughout our travels. Be on the lookout for a special prayer letter with our Deputation Review, which we'll be sending out soon!

TWO MORE CAMPS, MANY MORE DECISIONS

In July, we had a great time participating in two more youth camps. In Missouri, high school students at Camp Sagmount focused on battling the many gods who try to take the throne of our hearts. We saw **five saved** and many other decisions made throughout the week! In Michigan, middle school campers gathered for Camp Bethel, where we studied the spiritual Olympics and how we are to lay aside our sins and run the race set before us. We praise the Lord for the **five middle schoolers who accepted Christ** during this time! The Lord uses camps to reach children and teens in a big way, and we are grateful to have been part of a few of them this summer!

AUGUST TRAVELS

It is hard to believe that August was our final month of deputation! Our travels led us to Florida for our last appointments and time with family. Our deputation ended well, with appointments at three churches who had big hearts toward missions. We are so thankful for all that the Lord has done in and through us during this privilege of deputation!

Our first Sunday in Bangkok

THAILAND, AT LAST!

After two years of deputation travels, we were finally able to board the plane to Thailand on Tuesday, September 13! It is surreal to be writing this prayer letter in Bangkok, with the hot sun beaming in through the window! Thank you so much for all the prayers you have said on our family's behalf, and for your sacrificial giving. We could never have made it here without them! Please continue to pray for us as we settle in, as we battle jet-lag, and as Kayti prepares to begin language studies soon. We will be experiencing many adjustments and opportunities in the coming days and months, and we need your prayers more than ever!

KIDS SERVING KIDS

We were excited to learn from one of our supporting churches, Cornerstone Baptist in Wichita Falls, TX, that our family had been selected for their VBS children's offering this year! Cornerstone uses the VBS offering to highlight how kids can serve the Lord, and one way they can do this is by serving other kids. During the week, they were told about Judah, how he was an MK and would have needs once he arrived on the field. Through this "Kids Serving Kids" emphasis, the children of Cornerstone were able to give us an incredible offering that we will use for Judah's needs in Thailand!
